

THE MIRON *Family*

Hello

We're the Miron's!

A full time RVing family of 4. We hit the road in 2020 and haven't looked back. We've circled the US twice and we love taking our followers along for the adventure. Over the years we've built a following that appreciates our honesty, transparency, and comedy. Whether it's travel, fitness, humor, or family life our followers are here for it! This gives us the opportunity to connect brands we love with the people who love us.

OUR SOCIALS

We have multiple Social Media pages that have developed over time. Our Miron On The Move pages focus on travel, family, and adventure. Anita's pages focus on health, fitness, fashion, and motherhood. We have one unique page, @how.to.be.married, that is all about married life and humor.
