# ABOUT ME

GUCCI

I'm a NYC-based actor from Spain. I moved to New York in early 2013 and found on Instagram the best way to empower women and young artists.

I combined work on film and TV with social media collaborations, raising self-esteem as my ultimate goal.

"In order to become successful, you must believe it's possible"

# WORK WITH ME

A society where women are empowered it's a fairer society.

Raising self-esteem in young girls, helps them grow and achieve that empowerment. I partnered up with **Daniel Diosdado**, an award-winning European filmmaker.

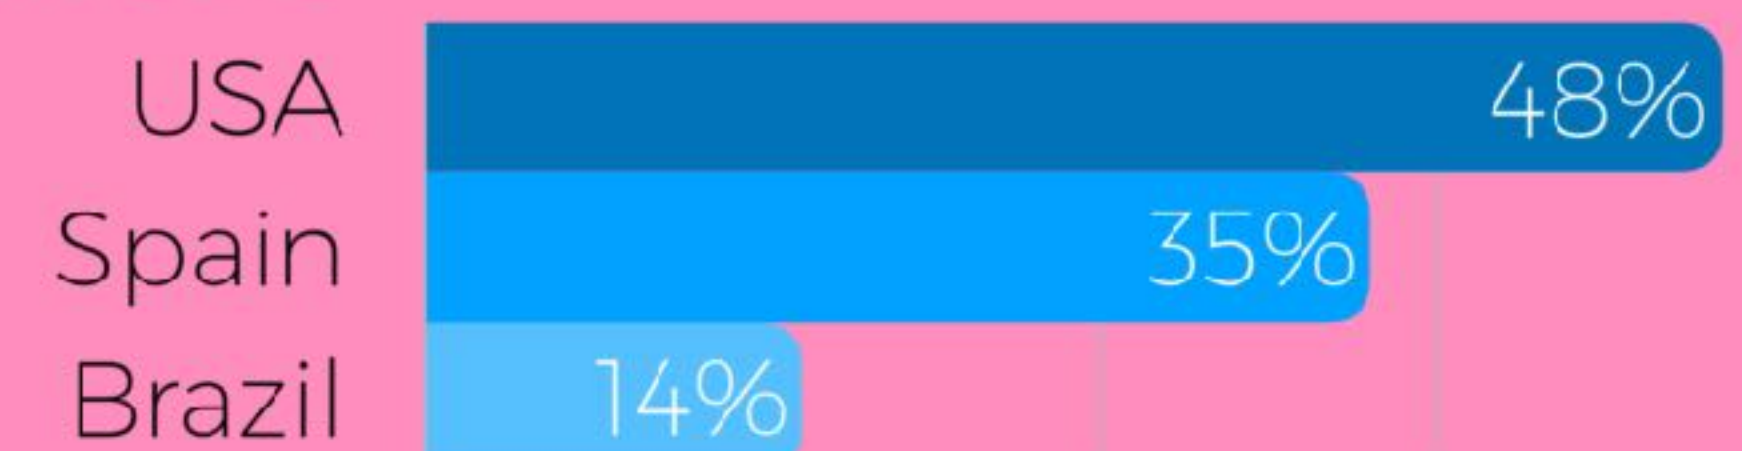

With our top quality film promotions on Instagram, we help my followers to focus on and pursue their dreams. We believe in long-term collaborations. In building trust-worthy relationships.

Join us and let's make your product become their passion.
